More Thank You Notes for Christmas In October

Dear Lakeside Community Chapel Family,

We are profoundly grateful to God for you all and your love for the Lord, the Bible, and for missions.

We trust that God's faithfulness grants you all joy and grace and love and spiritual fruit, not only in this Christmas season, but also in this unique year!

...Thanks for your special encouragement and support. It is a needed enablement of our ministry.

With much joy in Christ, David & Kathy Meade

Thank you!

Our family and I want to thank Lakeside for their generous Christmas gift to our family. We are so thankful for the many years that Lakeside has enabled us to bring the gospel to the nations through their gifts.

Have a Merry Christmas and a joyful New 2021!

Love in Christ,
Chuck & Shelly Rasico

Since April of 1980, Jim Carmichael has faithfully served Lakeside Community Chapel as our church's Business Administrator. Jim has worked tirelessly in a role that is largely behind the scenes to make sure our church finances have been organized and handled in a manner that honors our Lord. Jim's diligence and integrity in his service to our Lord and to Lakeside have been an example of biblical fidelity to all who have had the privilege of working with him.

Earlier this year, after over 40 years of service to Lakeside Community Chapel, Jim advised the elders that he would like to retire. The elders are excited for Jim and Leanne as they enter this next phase of life, even though it is sad to lose an employee who has served so faithfully for so many years. Nonetheless the elders began the process of looking for a replacement for Jim so that we could honor his wishes and allow him to retire. Though the process was delayed somewhat by the pandemic and other events of 2020, we believe the Lord has brought to us Jim's replacement so that the transition to a new Business Administrator can finally begin.

Starting this week, Jim will begin training Josh Jowers to take over as the new Business Administrator. Josh and his wife Amber moved their family from Texas to Florida earlier this year for Josh to take a position at Lakeside Christian School. Josh has a diverse professional and academic resume, including many years of experience working in accounting for various entities, as well as having a Masters Degree in Accounting from Texas Tech University. The elders believe Josh is the right man to take over this critical role, and Josh accepted the elders offer to become the next Business Administrator.

The elders would ask the congregation to pray for this transition period. It is a bittersweet time for our church family. We are saddened to lose such a valued member of our church staff. But we are also excited to have Josh joining us as part of our church staff. We trust that God will help us work through all the details of this process. May God receive the glory for all that transpires moving forward.
