New Community Fellowship Classes

Starting Sunday, April 7, 2024 @ 9am

Practical Theology (a youth-focused class)

- taught by Spencer King

Life is full of complexities & uncertainties. Yet the Bible is full of answers in regard to so many question. In this class, we will discuss the way in which the truth about God should impact the way we think and live. We will also give consideration to the way that these realities help us make sense of the culture & world around us.

The Foundation of the Faith -

taught by Jack Jenkins & Oliver Smith

Truth is under attack. The very notion of objective truth is completely dismissed by many. In light of this, we need to make every effort to form a strong foundation of faith in order to weather the storm around us. In this class, we will briefly examine the first 11 chapters of the Bible to help solidify & bolster our understanding of some of the most essential beliefs of the Christian faith.

MEN GROWING IN PURITY

We are starting another Men's class on

Sunday, April 7 @ 9:00AM

2nd floor of the school—LCS 204A

This is a 12-week study with daily study taking 45 minutes or more. Each Sunday we will gather in our accountability group. We will grow together as we strive for purity and a deeper walk with Jesus. This is not a self-study experience, but men striving together to support & strengthen each other.

The battle for sexual integrity is fierce, so together through the work of the Holy Spirit we will find strength.
